2017 SUMMER CAMP PROGRAM
June 5, 2017 - August 11, 2017

Once again, it's time for Summer Camp! Parents can start to register their kids before school ends & not wait till the last minute. This year we are making it very simple, "Pay-As-You-Go" program. Discounted rates will apply for multi-week purchases. The program we offer will be in further educating your child on the importance of team work, fitness, self-control, and most importantly, discipline. We will have them in a class setting, training them in boxing as well as self-defense to prevent them from being bullied at school, as we perfectly know bullying has always been a problem. We will also work on teaching your child ways of maintaining a healthy self-esteem. Summing it up, this is what the Boxing Program entails in whole. Not just punching a bag! It is by far an inexpensive program & definitely a positive experience program which your child will enjoy. This will be a great opportunity to have a summer camp experience which promotes & develops self-confidence, coordination, as well as a fun experience.

To register your child/children, please stop by our Training Facility located at:
